Ikea Hack: Toddler Learning Tower Stool | Happy Grey Lucky
Nov 08, 2016 - This learning tower is soooo worth the effort, you guys. Not just for having your littles help cook in the kitchen without you worrying about them falling off counters or regular stools, but I can leave both of my kids in the learning tower by the sink and they’ll happily play with the water for a good long time while I get other stuff done.

The Global Expansion of AI Surveillance - Carnegie
Sep 17, 2019 - An important AI subfield is machine learning. The vacuum of legal checks and balances has led to a “surveillance-first, ask-permission-later system,” Drew Harrell noted in the Washington Post. 58. For one, cloud servers present enticing targets for cyber hackers.
